This year's theme is:

WORKING ON BONAIRE For or As a boss?

All successful careers have an entrepreneurial mind at their base: when you start your own enterprise, but also when you work for a boss assertiveness, creativity and perseverance are important skills!

The Job Information Fair is open to all vocational education institutes that want to present themselves to the future students of Bonaire.

Besides this, all companies, government institutes and organizations are welcome to show which job opportunities there are on Bonaire.

There is also a possibility to give a presentation/workshop in the classrooms to those who are interested. Please let us know on the registration form if you want to do this.

You will be separately contacted about our options to publish an advertisement in our magazine. This is also a great opportunity for organizations that will not be present at the Job Information Fair! All participants and visitors will receive this magazine.
